PARTNERS IN DESIGN

Think of us as an extension of your team.

We are here to make your job easier and help bring your unique vision to life. Our expert Design Consultants are available to assist you with everything you need from inspiration to installation — in our 95+ showrooms nationwide and by video conference, phone, chat and email.

Our in-house Measure & Install Professionals will make sure you get the perfect fit no matter where your project is located. Plus, with trade-only access to our C.O.M. program, you have the flexibility to use the materials and trims you want on Roman Shades, Drapery and Cornices.

Let us take care of the window treatments for you. Come visit your nearest showroom today to discover how we can help with your next project.

GET IT QUICK

The Shade Store has some of the fastest lead times in the industry. In-stock orders ship in 10 days or less and C.O.M. orders ship in 15 days or less.

MAXIMIZE YOUR CREATIVITY

Our in-stock collection of 1,300+ materials is unparalleled. Combined with our C.O.M. program, the creative possibilities are virtually endless.

HERE TO HELP

From material and style advice to installation scheduling, our Design Consultants take care of it all. We can assist you in showrooms and by video conference, phone, chat and email.

WE ARE NATIONWIDE

Wherever your project is located, our team is available to provide in-home and remote Measurement & Installation services.

REALIZE YOUR VISION

Our workrooms across the country are ready to help turn your clients' windows into works of art.
