— FURNITURE —

We are always interested in hearing from interior design clients who would like to specify any of our Hooker Furniture brands within their projects. If you're interested in learning more about how your firm can become an authorized Hooker Furniture client, please follow the link provided below.

The image shows a screenshot of the Hooker Furniture website's 'New Account Application' form. The form is titled 'New Account Application' and includes a disclaimer: 'Submission of this application does not guarantee that your organization will be approved for a direct account with Hooker Furniture Corporation. Please be aware that we only consider opening direct accounts for businesses that possess a valid resale certificate for the Interior Design or Retail Home Furnishings trade.' The form is divided into several sections: 'Dealer Information' (with sub-sections for 'Bank/Dealer Info' and 'Sales Tax Info'), 'Billing Address', and 'Commercial Shipping Address'. Each section contains input fields for name, address lines, phone/fax numbers, website, and tax information. A 'Live chat' button is visible in the bottom right corner of the form area.
