Using Design for Health™ in Your Design Practice

"MindClick has been able to bring a tremendous amount of expertise. They have a deep knowledge of sustainability practices and all of that has really helped us to put a program together that's very efficient."
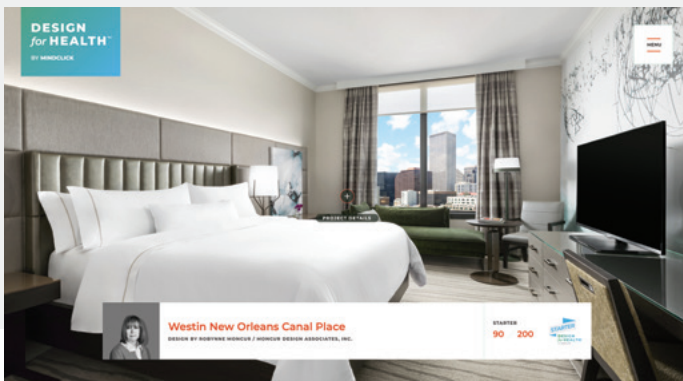

DAVE LIPPERT

Marriott International | Vice President of Global Design Procurement

For Inspiration

Use Design for Health "for inspiration and to stay up to date on new trends/ideas/products."

BLACKDOG STUDIO

Explore Projects

The Explore Projects area in Design for Health™ celebrates the projects and the design teams and vendors supporting healthy interiors.

With a focus on waste reduction, this wall mural not only looks good, it minimizes its footprint by using 100% recyclable packaging.
